Impregnation Spray fluorine-free 400 ml

Advantages

Very good water and dirt repellency

Suitable for workwear and outdoor clothing

PFAS-free

Product description

Impregnation for finishing functional textiles and leather. Ideal for making work clothing and shoes water-repellent. Colour, fabric feel and breathability are generally retained.

Do not use on artificial leather. Test spray for material compatibility on a concealed area.

Application

1. Read instructions before use.
2. The fabric must be clean, dry and free of grease.
3. Spray at a distance of about 25 cm.
4. Allow to dry completely after treatment.

Note: Remove excess material from adjacent, non-textile surfaces. Do not apply to faux leather. Test spray for material compatibility on a hidden area.

Properties

Property	Value	Unit	Norm / Condition
Application field	Home textiles, work, outdoor and leisure clothing		
Substrate	Textiles, leather, paper		
Chemical base	Solvent-based silicone solution		
Color	Transparent		
Odor	characteristic		
Propellant	Propane/butane		
Variants	A330240001 400 ml		
Packaging	400 ml aerosol		
Density	0,68	g/cm ³	20°C
VOC CH	100	%	
Curing	1	h	23°C
Application temperature	10 - 25	°C	
Storage stability	24	months	
Storage temperature	5 - 25	°C	

Note

For your own safety, please refer to the information in the safety data sheet.

Disclaimer

The information in this data sheet is based on the results of our research and experience. However, the suggestions herein concerning the use, application, and processing of the products (collectively, „the methods“) are non-binding recommendations only. It is the user’s sole responsibility to determine the suitability and safety of these methods, based on the user’s particular purpose in using the products. Before relying on the reliability and safety of any parts that are bonded using the products, it is extremely important that the user tests the reliability and safety of the parts that are bonded. Failure to do so could result in serious personal injury. Because the use of the products is within the purchaser’s sole control, Kisling Corporation specifically disclaims all warranties, express or implied, including warranties of merchantability or fitness for a particular purpose, arising from the sale or use of the products described herein. Kisling Corporation specifically disclaims any liability for consequential, incidental, or other damages of any kind, including lost profits. Kisling Corporation’s liability for damages shall not exceed the purchase price of the products used.
