

4440 INOX Care Spray 400 ml

Description	For quick and easy optical preparation of stainless steel and other metallic surfaces. Removes light soiling, dust, cleaning stripes and greasy fingerprints. The product based on caring and protective white oil is suitable for daily care and creates an evenly shiny surface. The water-repellent protective film prevents re-soiling.
Advantages	Applies quickly and easily - water repellent protective film - creates a uniform glossy surface - anti-fingerprint effect
Application fields	Household, metalworking
Application	1. Spray on thinly, leave on for a short time. 2. Polish with a dry, soft cloth. Do not rub dry. Do not spray on hot surfaces and use in direct sunlight. Avoid contact with food.
