

5350 Tyre Foam Spray I 400 ml

Description	Thanks to the combination of selected raw materials, tire care spray has a cleaning and caring effect in one operation. Tires stay fresh and shiny longer. With simple application without rinsing or wiping. The fine foam can be applied evenly and does not leave any drips.
Advantages	Protects against splash water, salt and environmental influences - care and cleaning of tire sides - no rinsing or wiping required - prevents age cracks and embrittlement
Application fields	Auto repair shops
Application	1. Shake the can vigorously before use. 2. Spray the outside of the dry tire evenly at a distance of approx. 20 cm. 3. Rinsing or wiping is not necessary. Note: Protect from frost. Due to the silicone contained, it is not suitable for the tread of tires as well as motorcycle and bicycle tires.

Technical data

Chemical base	Mixture of water, silicones and additives
Colour	Milky white
Density	1,00 g/ml (20°C)
Fragrance	Characteristic
pH-value	6-7 (25°C)
